

RESIDENTIAL ESTATES / MANAGING AGENTS AND RESIDENTS' COUNCILS

Clear decisions. *A garden that keeps its direction.*

THE GARDEN HANDBOOK

A shared direction for budgets, maintenance and the living memory of your residence.

AI illustration. Deliverable presentation and scope defined by quotation.

Built for *your residence.*

From a visit and available documents, Orizon builds a framework for your garden, the co-ownership's expectations and its constraints.

01 · Understand

Baseline condition, sensitive zones and care needs: a basis for discussing choices.

02 · Programme

Priorities, calendar and future works to prepare budget decisions.

03 · Share

Keep instructions and decisions so knowledge survives changes of contractor.

From the Handbook to implementation.

Technical support to contractors · Planting plans · Tender organisation
Quotation comparison and decision support · Follow-up and handbook updates

Assignments defined by quotation. The co-ownership retains decisions. Work with your existing contractor or alongside Orizon maintenance.

Complimentary 18-page notebook: Stewarding a landscape estate, on request with no obligation.
